President's Welcome

Dear Members,

Welcome to the Oxford Law Society! My name is Sofia Sherratt, and I am a penultimate-year law student at Trinity College. On behalf of the entire committee, it's my pleasure to welcome you to Michaelmas 2024.

Since its founding in 1870, the Society has been committed to helping students navigate the legal profession, offering invaluable networking opportunities, social events, and career insights. Whether you're preparing for applications or simply exploring a career in law, there is something here for you.

This term, we have an exciting range of opportunities lined up. From networking events like *Tapas & Sangria* to more relaxed socials like *Jazz Night*, the committee has worked hard to ensure there's something for everyone. We're also thrilled to introduce our inaugural *Practice Area Presentation* series, alongside our competitions and Mentorship Scheme, all designed to support and guide members in their applications. Lastly, in line with our commitment to access and diversity, we're proud to offer a BAME-focused *Diversity Panel* and co-host a *First-Year Panel*, providing insights from a broad range of perspectives.

I'd like to extend our sincere gratitude to our sponsors this year, both new and longstanding, for their generous support. Without them, this term card would not be possible, and I hope you enjoy connecting with many of them at our events.

Finally, a heartfelt thank you to all our members for your continued support. We wish you every success this Michaelmas term and look forward to seeing you at our events!

Kindest regards,

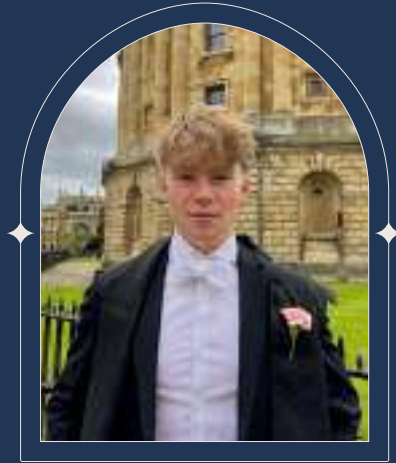

Sofia Sherratt

President, Michaelmas 2024
