PRESIDENTS ADDRESS

Dear Members,

It is my pleasure to welcome you to the Oxford Law Society in Hilary Term 2023. We are the largest subject-based society in all of Oxford, offering members unmatched access to the top employers in the legal industry. Our offerings range from exciting social events to informative workshops to help you discover and develop your interests.

We are here to offer the Society's unwavering support for your academic and career ambitions. Alongside a variety of presentations to increase your commercial awareness, we will also be offering insights into areas of law such as Family Law and Human Rights Law. We will also help to relieve the stress of members across all years, whether they're concerned about first year moderations, or third year training contract applications. But rest assured, our unrivalled social events will continue to make up a key component of our term card.

It is an honour to serve as President of Oxford Law Society alongside an incredible Executive Committee: Kwabena Osei (Vice President), Myles Kelly (Treasurer), Hajar Munirah (Secretary), Runlai Xu (Head of Events), and Amy Raymond (Head of Marketing). Of course, the General Committee play an equally indispensable role in making sure the various aspects of the Society are running smoothly from day-to-day, and for their hard work and support, I am extremely grateful.

I hope you enjoy Hilary Term with the Oxford Law Society! Feel free to reach out to me with any suggestions or issues, and I look forward to seeing you at our events.
